Configuration Screen for OTC Timed Assessments

Timed Assessment:

Selecting **Yes** for Timed Assessment allows the setting of a time limit for the assessment.

Time Allotted:

Entering an **amount of Minutes** in the field for Time Allotted sets a time limit for the assessment.

Allow Time Extension:

Selecting **Yes** for Allow Time Extension will allow a proctor to set a Time Extension for selected students during the administration of the assessment.

Time Warning Interval:

Clicking the **Add New**  icon allows the configuration of one or more warnings about remaining time. The window below appears.

5 Minutes

Enter an **amount of time** in the field and click the **Save** button.

Auto Submit Results When Time Has Expired:

The setting for Auto Submit Results When Time Has Expired auto sets to **No** if the setting for Allow Time Extension is set to **Yes**.

Enforce on Administration

Enforce on Administration:

Clicking a **checkbox** for a setting in the Enforce on Administration column locks that setting during the administration of the assessment.

Delete a Time Warning Interval:

Clicking a **Delete**  icon will delete a Time Warning Interval.

Timed Assessment:	<input type="button" value="Yes"/>	
Time Allotted:	20 Minutes (maximum 420).	
Allow Time Extension:	<input type="button" value="Yes"/>	
Time Warning Interval:	<div> <div>20</div> <div>10</div> <div>9</div> </div>	<input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/> <input type="checkbox"/>
Auto Submit Results When Time Has Expired:	<input type="button" value="No"/>	

Assessment Administration Screen for OTC Timed Assessments

Time Extension:
Selecting students (as shown below)

	Student Name	Student ID
<input checked="" type="checkbox"/>	Aaron, Dominique	000002705
<input type="checkbox"/>	Aaron, Joshua	000002313
<input type="checkbox"/>	Aaron, Steve	000003919
<input type="checkbox"/>	Aaron, Trey	000001315
<input type="checkbox"/>	Abel, Clark	000003809

and entering an **amount of time** in the field for Time Extension will set a Time Extension for those students.

Save button:
The **Save button** must be clicked after adjusting the settings for Timed Assessment or Time Extension.

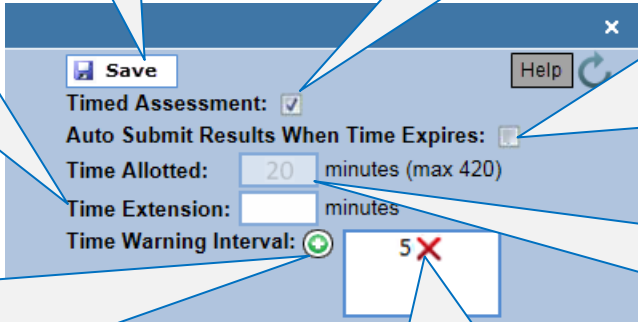

Timed Assessment:
The checkbox for Timed Assessment is for activating and deactivating the time limit for the assessment. Select the **checkbox** to activate the time limit. Deselect the **checkbox** to deactivate it.

Auto Submit Results When Time Expires:
Selecting the **checkbox** for Auto Submit Results When Time Expires sets the assessment to automatically submit the test results when time expires. Deselecting the **checkbox** prevents the automatic submission of results.

Time Warning Interval:
Clicking the **Add New**  icon allows the configuration of one or more warnings about remaining time. The window below appears.

Minutes

Enter an **amount of time** in the field and click the **Save button**.

Time Allotted:
The timing amount for the assessment is set during the Configuration process. It cannot be changed on this screen.

Delete a Time Warning Interval:
Clicking a **Delete**  icon will delete a Time Warning Interval.
